châteauneuf du pape 2015, font de joubert 50
at font de joubert, many of the grenache vines are centenarians, these gnarled old vines giving intensely concentrated juice, contributing complexity and depth of flavour. aromas are smoky and spiced, with notes of red fruits and fresh herbs. palate starts full and grows in the mouth, it is structured, multi-layered, silkily textured and both a lively & elegant wine with soft blueberry notes and a touch of spice. delicious, full in the mouth, leather and tobacco notes, very smooth and approachable with a mellow, rich feel.

château batailley 2011, grand cru classé, pauillac, bordeaux - vegan 68

single cask malt whisky

whisky is one of the finest and most unique products from the british isles so we felt it was only right to celebrate this with a selection of some of the finest single cask and malt whiskies scotland has to offer. not wishing to teach our grandmother how to suck eggs, but..... we recommend adding a touch of water until you have balanced the whisky's alcohol for your own palate. You will find that each touch of water will release different aromas and flavours as the alcohol is balanced. We hope you enjoy our selection

50ml glass

dufftown 2008 - 46% speyside 9

the spirit has notes of sweet vanilla and toasted malt with fruit elements developing; kiwi, lime, pear. the palate is sweet with subtle spiciness. strawberry and orange flavours develop with a creamy milk chocolate edge. a splash of water brings out honeycomb on the nose with hints of raspberry, lemon and sour plums.

arran - port cask finish - 50% island 9

port casks are used for a secondary maturation of this island malt. dried fruits, hazelnuts and the sweetness of mandarin oranges display the perfect marriage of the port cask & malt.

caol ila 2004 - 46% islay 8.5

from 1st fill bourbon barrels, this islay is typically peated, leading to powerful aromas of smoke and sea, and a sweet palate full of pear and orange flavours, with a lingering spice element.

loch lomond - inchmurrin 18 year - 46% highland 15

eighteen years have been kind to this very special single malt, which is a deeper colour than most bourbon due to the influence of the oak. it is, however, surprisingly elegant, with delicate notes of summer grass and citrus fruits as well as the usual suspects.

benromach 2007 - peat smoke - 46% speyside 8.5

wonderful expression of peat from this innovative distillery. very smoky (as expected) with cured meats and tobacco dominating the nose, and a distinct fiery flavour that dominates the palate.
